*"Academic excellence for every student, in every classroom, in every school"*

June 10, 2019

Dear Parents,

As some of you might know, Taunton Alternative High School began with federal grant called the 21<sup>st</sup> Century Community Learning Centers grant. Many of you will recognize this as "the Friday program" and the TAHS Summer Program. We are excited to announce that we will be applying for another round of funding which would allow us to continue to offer programming to your children for another 3 years.

It has been a pleasure to be able to offer school year and summer programming to your children over the last six years. We hope that we can continue to offer programming that supports the values and mission of TAHS through academics, social-emotional support, project-based learning and of course, FUN!

Some of the programming that has been offered throughout the years includes:

- Drone Flying
- Gardening
- Cooking
- Boys & Girls Club
- YMCA
- Audio/Visual Club
- Girls' Group
- CCBC Counseling
- Poetry Writing
- Leadership Club
- MCAS Support
- And so much more!

We are in the throes of the writing process and would love to hear your impact stories. We know TAHS is a great program, but it is the testimonies of students and parents that motivate us! Please feel free to email the District Coordinator [dmccurdy@tauntonschoools.org](mailto:dmccurdy@tauntonschoools.org) with any thoughts, questions, or stories.

Thank you from Taunton Alternative High School!

*"Challenge Accepted"*
